CONTINUING EDUCATION: HCCA is in the process of applying for additional external continuing education units (CEUs). Should overall number of education hours decrease or increase, the maximum number of CEUs available will be changed accordingly. Credits are assessed based on actual attendance and credit type requested.

Approval quantities and types vary by state or certifying body. For entities that have granted prior approval for this event, credits will be awarded in accordance with their requirements. CEU totals are subject to change.

Upon request, if there is sufficient time and we are able to meet their requirements, HCCA may submit this course to additional states or entities for consideration. If you would like to make a request, please contact us at +1 952.988.0141 or 888.580.8373 or email ccb@compliancecertification.org. Visit HCCA's website, hcca-info.org, for up-to-date information.

AAPC: This program has the prior approval of the AAPC for 6.5 continuing education hours. Granting of prior approval in no way constitutes endorsement by AAPC of the program content or the program sponsor.

To self-report, participants must log into their MyACHE account and select ACHE Qualified Education Credit.

AHIMA: This program has been approved for a total of 7.0 continuing education unit(s) (CEUs). The CEUs are acceptable for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA). Granting prior approval from AHIMA does not constitute endorsement of the program content or its program sponsor.

An approximate maximum of 6.5 clock hours of CLE credit will be available to attendees of this conference licensed in these states, along with Alabama, Rhode Island, and South Carolina. HCCA's practice is to apply for CLE credits to the state in which the event is being held, if that state has a CLE approval process for sponsors. Upon request, if there is sufficient time and if we are able to meet their CLE requirements, HCCA may submit this course to additional states for consideration. All CLE credits will be assessed based on actual attendance and in accordance with each state's requirements.
