How many CEUs will I learn from attending?

CEUs are assessed based on actual attendance and credit type requested. Should the overall number of education hours you attend or that the Academy offers decrease or increase, the maximum number of CEUs available will be changed accordingly.

How do I request CEUs following this Academy?

While on-site at this Academy, you will be provided the Application for Continuing Education Units (CEUs). To receive CEUs, you must submit this completed application following the Academy to ccb@compliancecertification.org. Only registered attendees are eligible to request CEUs for participation.

When will I receive my CEU certificate for participation?

Once your completed Application for Continuing Education Units (CEUs) has been received by our staff, your CEU account will be updated within 2–4 weeks. I would like to sit for one of the Compliance Certification Board (CCB)® exams offered on the last day of this Academy; will I qualify?

While this Academy, if attended in full, can provide you with all the CEUs you need to meet the continuing education requirement, you will also need to review the applicable Candidate Handbook found at hcca-info.org/candidate-handbooks to ensure you meet the work experience requirement.

I have reviewed the Candidate Handbook and want to apply for the exam; what's next?

If you want to sit for the exam offered on the last day of the Academy and have reviewed your Candidate Handbook, you can go ahead and apply online for your exam at hcca-info.org/apply-exam. You must be registered for the Academy first before you can apply to sit for the exam offered on-site.

I would like to sit for the exam, but not on-site at the Academy. Can I take my exam remotely at another time?

Yes, CCB offers the flexibility for candidates to take their exam remotely, at a local testing site, or following certain HCCA conferences. To learn more about our various testing options, visit HCCA's website, hcca-info.org/exam-information.

I have more questions about exams and seeking certification; who can help me?
