About our Academies

HCCA's Healthcare Privacy Compliance Academy is a three-and-a-half-day intensive training program covering both the ongoing challenges and the latest changes and updates in privacy laws, regulations, and developments, so you can effectively manage your organization's compliance program. Our faculty provides guidance and insights that encourage a deeper understanding of effective privacy compliance management in a healthcare setting and explores a broad spectrum of privacy laws and regulations. Unlike larger events, the Healthcare Privacy Compliance Academy offers attendees a classroom-style, hands-on approach to learning that encourages small-group interactions and networking opportunities.
