Virtual Conference

Due to the Coronavirus outbreak, HCCA has converted the Columbus Regional Healthcare Compliance Conference to a virtual conference.

How does a virtual event work?

On May 1 login using the link provided in your confirmation email during the scheduled session times to watch and listen to the speakers and ask questions live (just like you would onsite).

NOTE: Only registered attendees are eligible to request CEUs for participation. Attendees must participate in the virtual conference using the online virtual conference format (not just using the dial in) for attendance monitoring purposes.

CONTINUING EDUCATION: HCCA is in the process of applying for additional external continuing education units (CEUs). Should overall number of education hours decrease or increase, the maximum number of CEUs available will be changed accordingly. Credits are assessed based on actual attendance and credit type requested.

Approval quantities and types vary by state or certifying body. For entities that have granted prior approval for this event, credits will be awarded in accordance with their requirements. CEU totals are subject to change.

Upon request, if there is sufficient time and we are able to meet their requirements, HCCA may submit this course to additional states or entities for consideration. Only requests from registered attendees will be considered. If you would like to make a request, please contact us at 952.988.0141 or 888.580.8373 or email ccb@compliancecertification.org. To see the most up-to-date CEU information go to HCCA's website, hcca-info.org/all-conferences. Select your conference, and then select the "Continuing Education" option on the left hand menu.

ACHE: The Health Care Compliance Association is authorized to award 6.0 clock hours of pre-approved ACHE Qualified Education credit for this program toward advancement, or recertification, in the American College of Healthcare Executives. Participants in this program who wish to have the continuing education hours applied toward ACHE Qualified Education credit must self-report their participation. To self-report, participants must log into their MyACHE account and select ACHE Qualified Education Credit.

COMPLIANCE CERTIFICATION BOARD (CCB): CCB has awarded a maximum of 7.2 CEUs for these certifications: Certified in Healthcare Compliance (CHC)[®], Certified in Healthcare Compliance—Fellow (CHC-F)[®], Certified in Healthcare Privacy Compliance (CHPC)[®], Certified in Healthcare Research Compliance (CHRC)[®], Certified Compliance & Ethics Professional (CCEP)[®], Certified Compliance & Ethics Professional—Fellow (CCEP-F)[®], Certified Compliance & Ethics Professional—International (CCEP-I)[®].

NURSING CREDIT: The Health Care Compliance Association is preapproved by the California Board of Registered Nursing, Provider Number CEP 14593, for a maximum of 7.2 contact hour(s). The following states will not accept California Board of Registered Nursing contact hours: Delaware, Florida, New Jersey and Utah. Massachusetts and Mississippi nurses may submit California Board of Registered Nursing contact hours to their state board, but approval will depend on review by the board. Please contact the Accreditation Department at ccb@compliancecertification.org with any questions you may have. Oncology nurses who are certified by ONCC may request California nursing credit (check box or indicate "Nursing" on the CEU form).

ACKNOWLEDGMENTS: By submitting this registration, you agree to the full Terms and Conditions, including the use of your information, viewable at hcca-info.org/regionals.

Your information (postal address) may be shared with conference exhibitors, attendees, speakers, affiliates, and partners for marketing and/or networking purposes. To see the full use or if you wish to opt-out, visit hcca-info.org/privacy.

Virtual sessions will be recorded. By participating in an HCCA conference, you grant HCCA, or anyone authorized by HCCA, the right to use or publish in print or electronic medium any photograph or video containing your image or likeness for educational, news, or promotional purposes without compensation.

This virtual conference is only for the registered attendee and does not allow for more than one person on each dial in. If a second person would like to join they must fill a second registration form out. Only registered attendees are eligible to request CEUs for participation.

Group discounts are not applicable to virtual events.
