

REGIONAL HEALTHCARE COMPLIANCE CONFERENCES

Each conference offers a unique agenda of general and specialty education in compliance enforcement, regulatory requirements, best practices, and strategies for leading effective healthcare compliance programs.

Held in-person, these events provide attendees the opportunity to connect with compliance peers from their local region, in addition to strengthening their knowledge and earning live Compliance Certification Board (CCB)[®] continuing education units (CEUs).

This year we will offer several **SCCE & HCCA Regional Compliance & Ethics Conferences** with dual learning tracks: an all-industries track, and a healthcare-specific track. **Indicates a dual track conference.*
