Virtual Conference

Due to the Coronavirus outbreak, HCCA has converted the Nashville Regional Healthcare Compliance Conference to a virtual conference.

How does a virtual event work?

On November 13 login using the link and access provided during the scheduled session times to watch and listen to the speakers and ask questions live.

Continuing Education

Credits are assessed based on actual attendance and credit type requested. Should the overall number of education hours decrease or increase, the maximum number of CEUs available will be changed accordingly. Only registered attendees are eligible to request CEUs for participation. Attendees must participate in the virtual conference using the online virtual conference format (not just using the dial in) for attendance monitoring purposes.

COMPLIANCE CERTIFICATION BOARD (CCB)[®]: CCB has approved a maximum of 8.1 CEUs for these certifications: Certified in Healthcare Compliance (CHC)[®], Certified in Healthcare Compliance—Fellow (CHC-F)[®], Certified in Healthcare Privacy Compliance (CHPC)[®], Certified in Healthcare Research Compliance (CHRC)[®], Certified Compliance & Ethics Professional (CCEP)[®], Certified Compliance & Ethics Professional—Fellow (CCEP-F)[®], Certified Compliance & Ethics Professional—International (CCEP-I)[®].

ACHE: The Health Care Compliance Association is authorized to award 6.75 clock hours of pre-approved ACHE Qualified Education credit for this program toward advancement, or recertification, in the American College of Healthcare Executives. Participants in this program who wish to have the continuing education hours applied toward ACHE Qualified Education credit must self-report their participation. To self-report, participants must log into their MyACHE account and select ACHE Qualified Education Credit.

NURSING CREDIT: The Health Care Compliance Association is preapproved by the California Board of Registered Nursing, Provider Number CEP 14593, for a maximum of 8.1 contact hour(s). The following states will not accept California Board of Registered Nursing contact hours: Delaware, Florida, New Jersey and Utah. Massachusetts and Mississippi nurses may submit California Board of Registered Nursing contact hours to their state board, but approval will depend on review by the board. Please contact the Accreditation Department at ccb@compliancecertification.org with any questions you may have. Oncology nurses who are certified by ONCC may request California nursing credit (check box or indicate "Nursing" on the CEU form).

HCCA is in the process of applying for additional external continuing education units (CEUs). Approval quantities and types vary by state or certifying body. For entities that have granted prior approval for this event, credits will be awarded in accordance with their requirements. CEU totals are subject to change.

Upon request, if there is sufficient time and we are able to meet their requirements, HCCA may submit this course to additional states or entities for consideration. Only requests from registered attendees will be considered. If you would like to make a request, please contact us at +1 952.988.0141 or 888.580.8373 or email ccb@compliancecertification.org. To see the most up-to-date CEU information go to HCCA's website, hcca-info.org/all-conferences. Select your conference, and then select the "Continuing Education" option on the left hand menu.

ACKNOWLEDGMENTS: By submitting this registration, you agree to the full Terms and Conditions, including the use of your information, viewable at hcca-info.org/regionals.

Your information (postal address) may be shared with conference exhibitors, attendees, speakers, affiliates, and partners for marketing and/or networking purposes. To see the full use of your information or if you wish to opt-out, visit hcca-info.org/privacy.
